Hi everyone,

There are two documents attached here. One is a short document that lays out plan logistics for senior managers. The second is the draft communications plan.

The senior managers can review the next iteration of the comms plan because it's not ready for them to see until we're all comfortable with it.

I ask that you review the comms plan and have it back to me by COB Friday. This will give me time to consolidate edits and work with Judy when she returns on Monday.

I ask that you focus on the substantive information in the comms products and not so much the syntax and semantics.

Let me know if you have questions. Thanks!

Hanady
